

DIGITAL MEDIA NETWORK

PBDCTV

WWW.PBDCTV.COM

Here at PBDCTv, we specialize in broadcasting, production, and promotion of audio, visual, and literary content.

Specifically focusing on horror and horror related content genres, providing a "one-stop" umbrella of platforms for streaming, movies, live music performances, live action gaming, visual talk radio and literary entertainment.

Referred to as "The Collective", PBDCTv, under our brand umbrella, aims to combine digital content with social media in a way that empowers connection and creative collaboration amongst our content artists to bring horror fans an entertaining and immersive experience.

Cemetery Kids Fright Theatre

Established in 2019, PBDC's motley band of misfits range from True Crime Buffs, Multi-Media Artists, Podcasters, Actors, Esoterics, Video Productionists, Paranormal Investigators, Graphic Designers and Bloggers and much, much more.

Our goal is to construct an online community of "The Strange & Unusual" content creators in both audio, video and literary media and to provide a variety of unique content to the horror community.
